1. Qhamani Mhlana submitted a signed contract for his upcoming fight in December for the Eastern Cape title to comply with the ratings Policy

In Conclusion, the committee appreciates the boxers that are entering the ratings which demonstrate the good work of promoters. This year shows a lot of improvement in the number of fights sanctioned and promoted each month which improves the standard of boxing in the country. The Sanctioning Committee is also appreciated for sanctioning fights as per matchmaking recommendations. The committee is also working with provincial managers especially on the provinces that are active to get a view of their tournaments and boxers whom they see potential from.

**Report prepared by the Ratings Committee led by Interim Chairperson Mr Xolile Dike**

**Working with Committee Members Mr Silence Mabuza and Nika Kumalo. Chairperson of the Committee is on sick on leave.**
